

# LASTING IMPRESSIONS

A SAMPLE OF GOBLER'S KNOB

## Instructions for Viewing

### Zooming:

For your convenience in viewing the pdf, you may want to zoom into the document, and read the text.

You can zoom in and out of the document by clicking on either the magnifying glass or the "+" and "-" at the top of the screen.

### To Go To the Next Page:

Below the center window you will find arrows that you can click on to navigate through the pdf.

Click on the appropriate arrow to go to the next page or back to a previous page.

## GOBBLER'S KNOB

This was a nice find on my way to summit my last fire lookout, Gobbler's Knob, in Rainier National Park. It is located just outside of Ashford, Washington, off the trail at the park boundary in a very secluded area of the park.

– Gregory Dussault, L.S.I.T. (Land Surveyor In Training)
